

Wellness Forum Health

Annual Symposium on InforMED™ Medical Decision-Making
November 11-13 Columbus, Ohio

Featuring Special Guest Speakers...

Dr. Paul Alexander is an epidemiologist, focused on evidence-based medicine and research methodology. He has earned degrees from the University of Toronto, Oxford University, and trained in bioterrorism and biowarfare at Johns Hopkins University. Paul is a former consultant to the World Health Organization and served as a senior advisor to the U.S. Department of Health and Human Services in 2020 in the area of COVID-19 response.

David Wiseman, PhD, was a top bioscientist at Johnson and Johnson and now heads his own R&D company. He is one of the world's leading experts on internal scarring and pain and co-founded the first integrated clinic to address these issues. Dr. Wiseman has challenged many COVID policies, and has made 13 submissions to the FDA, CDC, and other government agencies on COVID-19. He is the coordinator for vaccine injury treatment for the World Council for Health and served as a panelist for one of Senator Ron Johnson's hearings.

Patricia Finn is known as the "Good Health Lawyer" and is internationally known for litigation in the area of vaccine injury. Her work has been featured in documentaries and in major print and broadcast media. Ms. Finn is one of the few attorneys who has successfully litigated cases in the United States Court of Claims (the "Vaccine Court") and she has filed numerous cases on behalf of Make Americans Free Again.

Stan Siranovich is a former data analyst for the Centers for Disease Control Foundation, where he worked on the COVID-19 Vaccine and Workforce Initiative. His expertise is in the chemical, biomedical and allied science-based industries, and he has been involved in product development, manufacturing, and presented innovations to the scientific community and many national and international conferences.

Speaker Bios

Eileen Kopsaftis, P.T. is the owner of Have Lifelong Wellbeing, and the author of the book, *Pain Culprits*. She has been a practicing physical therapist since 1994. While her specialties include manual techniques to correct bio-mechanical dysfunction, her passion is teaching informed healthcare decision making and instructing how to resolve chronic pain issues using self-care methods that work to restore whole body function. Eileen teaches community education classes at Hudson Valley Community College, and serves as a faculty member at the Wellness Forum Institute for Health Studies.

Mary Marshall, BSN, RN is President of Eat, Learn Live Ltd. She is a Certified Health Educator and affiliate of Wellness Forum Health, and facilitates the company's Permanent Weight Loss Program.. She is also certified as a WellCoach, and has extensive experience working with people on behavioral change. She is a faculty member for the Wellness forum Institute for Health Studies.

Pam Popper is the founder and President of Wellness Forum Health. Pam has been featured in many widely distributed documentaries, including *Processed People* and *Making a Killing* and appeared in the acclaimed documentary *Forks Over Knives*, which played in major theaters throughout North America in 2011. She is one of the co-authors of the companion book which was on the *New York Times* bestseller list for 66 weeks. She is the author of *Food Over Medicine: The Conversation That Can Save Your Life*.

Pam is featured as the lead expert in *Food Choices*, appears in *Diet Fiction*, and also in *Code Blue*, which was released in early 2020. She is the author of the companion books for *Food Choices* and *Diet Fiction*. Her newest book is *COVID Operation: What Happened, Why It Happened and What's Next*, which she co-authored with Shane Prier.

Beth Prier, PharmD, MS is a pharmacist and Certified Health Educator. She also heads the Food Over Medicine License Program for WFH. Beth is the mother of five children, and has a passion for teaching children how to enjoy and adopt healthy eating habits. She has created gardening programs for young children and a health curriculum for home-schooled high school students. Beth is a "foodie," and her cooking classes are always a conference favorite!

Kylea Rorabaugh is the owner of Healthy on Purpose in Kansas City, Missouri. She is a Licensed Professional Counselor in private practice, a Certified Health Educator, and a faculty member for the Wellness Forum Institute for Health Studies. Kylea specializes in a whole-person approach to health, addressing both psychological and physical health. She has created several programs and bootcamps which are offered through WFH.
